

## **How do I get my Forms and Enter My Auditions?**

To find the required forms, go to the FMEA website and login. Once you log in, you will find a link entitled, *Enter My Auditions*. Click on this link to see the digital form to fill in for each student. If you do not have all the information, fill in what you have, then SAVE the form. You may print this to send home to have a parent fill in the missing information. Once this is returned, go back to the same way to find your student's paperwork. Click on the student name to fill in the information.

**You must be a member to login.**

Please be sure to **mark a preference** if the student is auditioning for both All-State Chorus and All-State Orff. If you do not, the All-State Task Force will place the student as needed.

For Orff, be sure to answer any additional questions.
